# Function Room & Roof Terrace

Our first floor function room and roof terrace is an intimate space suitable for private dining and parties.

The first floor function room can cater for a sit-down meal of up to 30 people or for up to 50 people for a drinks or a buffet style event. Seating can be arranged in a number of ways to suite your needs. The room is equipped with

a full sound system which you can play your own music through, using an auxiliary cable, or you can simply sit back and leave it to us.

The second floor provides access to the open-air roof terrace, which is ideal summer events, and includes a second room suitable for drinks or a space for children. Private bathroom facilities are also on the second floor.

We would recommend visiting in person to see how best the spaces can work for you and to discuss food and drink options.

## Food

We have a variety of food options from main courses to canapés. The following pages set out examples of the different menus we offer. Please note that menus can change seasonally.

## Staff and drinks

There will be staff on duty to cater for your event, serving food and obtaining drinks from the pub below.

The cost of drinks can be added to one bill (we can inform the host regularly of the amount throughout the event), or alternatively we can start tabs with individuals by giving them a tab number in return for their credit/debit card.

Pre-ordering drinks such as wine is advisable to ensure we have enough in stock if you want something in particular throughout the event,

Our drinks list can be found on our [website](#). Additionally you can order your own keg of beer; Camden hells lager, Camden wit bier or Camden pale ale, at £250 for a 30 litre, which is approximately 52 pints. We can also offer a reduced seasonal cocktail and pitcher menu.

## Hire costs, deposits and other information

There is not charge for the hire of the function rooms, but we ask for a minimum spend of £500 on food and/or drink.

There is a £250 non-refundable deposit needed to secure bookings. The deposit will be returned once the final payment has been made and the space has been assessed for any damage. Cost of deliberate or reckless damage will be deducted from your deposit.

12.5% service is added to the total bill.

Sorry, but we do not allow confetti. You will not be able to bring your own music system. Using your own outside catering is also not permitted.
